

CAMPUS SAFETY SURVEY

September is National Campus Safety Awareness Month

Take our Campus Safety Survey
now to tell us how we're doing

[Institution Name] takes great pride in making each one of our learning communities a safe, secure , and welcoming environment for every single student, employee and visitor that comes to one of our campuses. To make sure we are doing all we can, we are celebrating National Campus Safety Awareness Month with a college-wide survey, giving us a chance to hear from each and everyone of you and to continue to grow the positive atmosphere we strive to uphold.

To complete our brief Campus Safety Survey
visit [[Your Website](#)], click on the TIPS Survey button, then
select your location and choose Campus Safety Survey.
