

TIPS PREVENT

Have you seen this new butterfly on our website?

It's the Awareness Butterfly Effect! It involves a single pre-incident indicator – a concerning behavior, suspicious activity, or social media comment – no matter how small that could be the piece of the puzzle that helps save lives, reputations, bottom lines, and change the world forever for one or hundreds or thousands of people.

To confidentially and anonymously share your concerns
visit [YOUR WEBSITE HERE](#)
and CLICK ON THE BUTTERFLY next to the social media icons.
